California Welfare and Institutions Code Section 14019.4 and 22 California Code of Regulations Section 51002 prohibits providers from attempting to get payment from a Medi-Cal beneficiary once the person provides proof of Medi-Cal eligibility. This law also says that providers who continue to seek payment after being shown the patient's Medi-Cal card can be penalized.

This letter serves to formally notify you that I have Medi-Cal.

Therefore, I respectfully request that you stop all attempts to obtain payment from me and instead submit a claim for payment for the services I received to my Medi-Cal managed care plan or to the State Medi-Cal program.

If you have questions about where to submit the claim, go to [www.medi-cal.ca.gov/contact.asp](http://www.medi-cal.ca.gov/contact.asp) or call the Provider Support Center at 1-800-541-5555.

Please send me written confirmation that the above account has been closed. Your prompt attention to this matter is greatly appreciated.

Sincerely,
