* The federal government sets the poverty levels every year. The 2018 FPL limits are effective January 1 for the MAGI Medi-Cal programs and April 1 for the non-MAGI Medi-Cal Aged & Disabled and the Working Disabled Program (ACWDL 18-03). For Covered California, the new FPL levels are effective at the beginning of the following open enrollment period; therefore, the FPL limits for the 250% FPL Covered CA cost sharing reductions and 400% FPL Covered CA premium tax credits are the 2017 income limits.

** Pregnant woman or adult & child: \$750/mo. If 2 adults, MN level is \$934/mo or \$11,208/year

*** For a married couple, if both are eligible. This amount is equal to the 100% FPL amount plus \$230 for an individual or plus \$310 for a couple. The countable income in this program for a couple cannot be lower than the SSI/SSP level for a disabled couple. CA Welf. & Inst. Code § 14005.40(c)(1). Currently, the SSI/SSP couples' rate is the lower amount.

Notes:

- **Monthly and Annual FPL Levels are rounded up to the next highest dollar.**
- **Monthly income** is 4.33 times weekly income.
- The **5% income disregard** has been applied to MAGI income levels where it applies
- **For families with more than 6 members:** add \$348.33/month or \$4,180/year to the 100% FPL amount for each additional person
- [See ACWDL 18-03E for more information regarding the income levels.](#)
