Monthly Premiums Waiver for 250% Working Disabled Program (250% WDP) due to COVID-19

On March 4, 2020, Governor Gavin Newsom declared a state of emergency in California. This is due to the COVID-19 public health emergency. People affected by the emergency can now have their 250% WDP premium payments for March, April, May, June, July, August, September and October 2020 waived.

If you cannot pay your premiums because of school closings, losing your job, or other reasons due to the COVID-19 public health emergency, you can ask to waive your premiums. Call the Third Party Liability and Recovery Division at 1-916-445-9891. You can call Monday through Friday from 8 a.m. to 5 p.m. or send a fax to 1-916-440-5676.

Tell them you have a hardship due to COVID-19. Ask them to waive your premiums. If you paid premiums, you can ask for a credit for future months. You do not need to call each month you need a waiver. You can ask that your premiums be waived for any month during the public health emergency. When you call, tell the representative which months you need waived.
