

Got a Share of Cost for Medi-Cal or IHSS?

These magic tricks could make your share of cost disappear!

1 If you buy enough extra health, dental or vision insurance, you can get rid of your share of cost

2 Enroll in the Medi-Cal Working Disabled Program. To join, you must receive Social Security Disability or received it before you turned 65. You must earn at least \$1.00 a month

3 If you are married and you need homecare, ask for spousal impoverishment Medi-Cal. The program may remove your share of cost
