

Renewals have started.

Take action to keep your Medi-Cal.

Your local Medi-Cal office will mail you important information about your renewal.

You will receive either

A large yellow envelope with a renewal form that must be completed

or

A notice letting you know your coverage was automatically renewed and no further action is needed

If you get a renewal form, please fill it out and return it right away.

You may need to provide income information that you are receiving regularly. No need to send proof of non-income assets or property such as bank statements and car registrations.

If your contact information has changed in the last three years, update your address, email and phone number with your local Medi-Cal office.
