

HIV AIDS

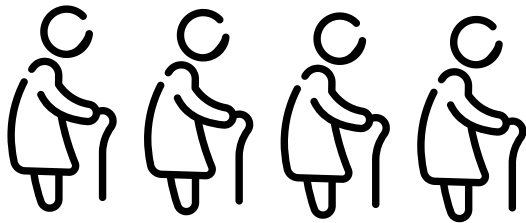

Let's Join the Fight

AGING AWARENESS

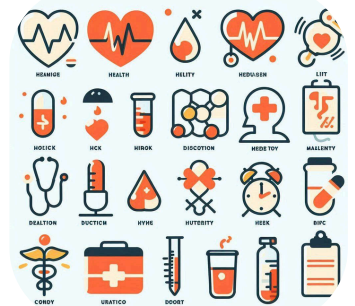

FAST FACTS

53%

1.1 million people living with diagnosed HIV in the United States and dependent areas in 2021, over 53% were aged 50 and older

Many older people with HIV have multiple health conditions such as cardiovascular disease, diabetes, renal disease, and cancer that can complicate HIV treatment.

The Health Consumer Alliance is dedicated to raising awareness about Aging individuals with HIV/AIDS. If you, or someone you know, is experiencing barriers to accessing health care, we are here to help. Call the HCA at 888-804-3536 to speak someone today.
